

**CITIZENS UNITED FOR LAKE PLACID**  
**“Keeping Our Lake Beautiful”**

2625 Blumberg Park Rd.  
Seguin, Texas 78156

January 2018

Dear Lake Placid residents:

**Citizens United for Lake Placid** continues to be a very active supporter of issues vital to Lake Placid and the Guadalupe River.

If you live on, or enjoy recreation on Lake Placid, we urge you to renew your current membership. Through hard work, dedication, and the unselfish donation of time and money, our board, members and numerous volunteers continue to help maintain this beautiful lake.

- CULP has negotiated a contract with Waste Connections of Texas for trash pickup at a discounted rate. The current rate is \$18.06 per month for once a week pick up of your trash and \$4.37 per month for recycling, every other week pick up. If you would like to be on the contract, contact Liz Hilsdorf at [lhilsdorf@gmail.com](mailto:lhilsdorf@gmail.com) or call Waste Connections of Texas at (830) 401-4413 with your address and info, once you are a paid member. They have an official list of CULP members.
- As a member of the Guadalupe Basin Coalition, CULP plays an active role in protecting the aquifer, area springs, and river flow.
- CULP works closely with lake groups from Lake McQueeney and Lake Dunlap on issues critical to the river.
- CULP maintains a good working relationship with representatives of the Guadalupe-Blanco River Authority, Texas Parks and Wildlife, and the Guadalupe County Sheriff's Department.
- We continue to mark or remove hazardous water obstructions in shallow areas of the lake.
- We continue to promote Boating and Water Safety on the lake.
- Lake Placid's monthly water testing results are posted on the Springs Hill WSC website.
- CULP maintains a website- [lakeplacidtexas.org](http://lakeplacidtexas.org)- and a Facebook page.

We can only continue to do these and other projects with financial support from our membership and the efforts of our Board of Directors and volunteers.

**We would appreciate your help by returning your check and registration form to secure your 2018 membership. Please include your e-mail address and telephone number.**

Thank you for your continued support. We look forward to seeing you on the Lake!

## Your CULP Board of Directors
